This product guide has been produced by Rexall Home Health Care for Ontario Health atHome to assist with equipment selections for eligible patients to facilitate care provision, patient safety and independence.

Our Commitment

Our dedicated team of professionals are committed to providing you with the BEST customer service, guaranteed.

Our knowledgeable staff are fully trained with many years of experience and expertise. At Rexall Home Health Care the customer always comes first.

Equipment Care

Rexall Home Health Care uses a high end Medical Equipment Washing Machine and Ministry of Health compliant disinfectants on all rental equipment prior to delivery to the patient. Each piece of equipment is carefully inspected and delivered with equipment information sheets available.

Rexall Home Health Care is dedicated to providing patients with complete care. We are available for any questions, concerns or further information on rental as well as any other items the patient may need to create a safe, comfortable environment. Rexall will be contacting your patient towards the end of their rental period to determine if they would like to continue to use the rental equipment.

1. Patient can continue to rent the equipment themselves.
2. Patient can purchase the equipment they are renting (Rexall will apply a discount for Ontario Health atHome patients only).
3. Patient can return the equipment. Rexall will arrange a time with them to pickup the rental.
4. Patient can purchase new or additional items in exchange for those items already in home.
5. Rexall is a registered vendor for ADP (Assistive Devices Program). If chosen as a vendor, we have trained, knowledgeable staff to help with assessments and delivery of new items.

If you have any questions or concerns about your equipment be sure to contact Rexall Home Health Care at:

Tel: 1-800-563-6482
Email: 8212rentals@rexall.ca
Fax: 1-866-405-9917

Rexall[™]
Home Health Care

Reference Tool For Ordering Equipment and Supplies

1. Patient or an alternate must be at delivery location to receive and sign for the equipment.
2. When available, please note the location for the placement of equipment. Super poles must be marked out with tape for placement. Please note, we do not bolt in any poles or install grab bars.
3. Location for equipment should be cleared in order for rental to be installed. Note, Rexall does not move or remove furniture to place the rental.
4. Rexall does require waivers be signed for certain rentals such as poles and tub rails.
5. Rexall drivers do NOT install grab bars, calibrate cushions or mattresses, do patient transfers, move furniture or discard of owned equipment.
