CAREGIVER LEARNINGS – Share with your peers!

Participants will have the opportunity to share and hear from other caregivers briefly during the event.

To get us started, **consider answering the following questions using the [Caregiver Learnings Survey](#)** or by contacting the Community Engagement Team directly at engagement@ontariohealthathome.ca or 1-855-276-3096.

1. What do you wish you had known when you first became a caregiver?
2. What is most helpful when family, friends or neighbours ask what you need or how they can support you?
3. What helps you get through a hard day? How do you take care of yourself?

Please note: Responses are summarized and do not include any personal information or details. Find the current Caregiver Learnings resources on our [Ontario Health atHome Caregiver Support webpage](#). This resource will be updated following the event.
